

# Douglas Legacy Pack

This light duty battery pack is a 24-volt system consisting of 4 maintenance free, deep cycle batteries connected in a series/parallel configuration. The system also includes a 120 VAC onboard automatic charger. Recharge is easy; simply plug in to any outlet to reach a full state of charge. No more taking your pallet jack to a designated charging area. The Legacy Pack is ideal for use in grocery and retail stores or anywhere you have a light duty application.
